## Spoons Presented To Westcott W.I. Ladies

Twenty members of the Westcott W.I. met at the home of Mrs. Herb Goelgen on Thursday, February 2nd. The meeting opened in the usual manner with O Canada, followed by all repeating the Creed. The roll call for this meeting was "suitable entertainment for children," and the minutes of the January meeting were read.

It was decided to hold a Valentine party at the Westcott school with a social evening of cards and other games on Wednesday, February 8.

A topic was given by Mrs. H. Levagood on a Famous Canadian, and she chose Betty Mitchell, veteran Calgary dramatist and director of the winning play, "The Rivals," presented by Workshop 14, a Calgary group of amateur actors, who will represent Alberta in the Dominion Drama Festival in Calgary for the third straight year.

W.I. spoons were presented to Mrs. Baudistel Sr. and Mrs. Wilsen, who have been Institute members for ten years.

A letter was read from a W.I. in Norham, England, thanking members for the food parcel sent at Christmas time.

Mrs. Fern Shantz was elected delegate to attend the Conference to be held in Red Deer on March 10 and 11.

Mrs. E. Walker gave a very interesting talk on the recent trip by plane to Penticon, B.C., with her daughter Elizabeth Jane and her mother Mrs. Ed. Klinek.

The remainder of the afternoon was spent by singing under the direction of Mrs. G. Ford.

The bit of entertainment was held over until the next meeting. The March meeting will be held at the home of Mrs. Ed. Klinek.

After the singing of God Save the King, lunch was served.

## PRIZE WINNERS AT JOHN DEERE SHOW FEBRUARY 6

At the John Deere Show in Didsbury on February 6, sponsored by the local dealer, Leo Nichols, the three door prizes were won as follows: Oil Can, by Conrad Wagner; anti-freeze, by Mr. Campbell; and the box of Chocolates by Mrs. Art Rothwell.

## SUCH WAS LIFE

In the late nineties it was quite common for Old Country students of institutions to come to Alberta to learn to "Ravach" and take in the honors of a wild and adventurous life. The appeal was strong after reading magazines and letters from friends.

In 1890 I had a contract to stack the hay for the Hickling Ranch and among the staff were three who had the adventurous spirit. The leader of the three, for some reason, was called "Father".

Father had learned to ride a tame pony and usually made it his business to turn the cow to pasture and bring her in to milk. This gave him an idea he was getting to be quite a cowboy.

However, instead of haying, as was planned, we were victims of weeks of pouring rains. Everyone was nervously hoping to see the sun come out and stay out.

The first clear day Mr. Hickling ordered the range cattle to be brought in and Father helped. This episode further inspired Father that his success as a rider was wonderful.

No sooner were the cattle corralled than it started to pour some more and in no time the corral was four inches of slush. Mr. Hickling selected a steer to be "cut out" and Father instantly said, "I'll cut him out for you." He was given a good horse for the purpose, and the minute the horse knew which steer was wanted, all Father had to do was hang on. The steer made a sharp right angle turn and so did the horse, but Father kept on going in the former direction and scooped four inches of slush all over himself. After getting excited from the mesh he gave a loud whoop and yelled, "Where am I?" Mr. Hickling and the rest of us expected it to happen just as it did, and it was a laugh.

After that Father was not quite so keen to "cut out." He had learned the hard way what to him was exciting to read about in a book.

Father took several hours to clean up and square himself with the world.

## DRUMHELLER TAKES SERIES FROM DIDSBURY, 19-7.

Drumheller Miners were relentless in their attack Friday night as they tore through the short-handed Didsbury Rambler squad to win the second game of a South Central Alberta Intermediate Hockey League playoff 14-1. Previously at Didsbury Miners won the opener of a total-goal two-game series 5-3. The Drumheller squad thus took the series 19-7.

Drumheller Miners will now meet the winners of a similar total goal fixture between Trochu and Cremona, for the right to advance in the provincial playdowns.

## Regular Meeting of Redeemer Ladies' Aid

The Ladies' Aid of Redeemer Lutheran Church met on Thursday, February 9, in the church basement. Instead of the usual topic, Rev. Fox showed the cancer film, "Choose to Live." This film was then discussed by the ladies present and questions were answered on the basis of the material from the Canadian Cancer Society.

The aid, during its business session, made final plans for the Congregational Supper to be held on Tuesday, February 14, in the basement of the church. It was decided that Fred, King of Concordia College, Edmonton, would serve as guest speaker. The Aid also took under advisement the matter of making confirmation gowns for local use.

A new member was added to the roster of members. Following the reading of a number of communications, the meeting closed with a lunch.

The bit of entertainment was held over until the next meeting. The March meeting will be held at the home of Mrs. Ed. Klinek.

After the singing of God Save the King, lunch was served.

## Bancroft W.I. Reports Library in Operation

The February meeting of Bancroft Women's Institute was held at the home of Mrs. Allen Marsh on February 8, with seven members and two visitors present.

The meeting opened with the singing of "I Love You Truly" and the Creed. Roll call was an exchange of Valentines.

All dues and Home and Country subscriptions were sent in. Ten cents per member is to be sent to the F.W.C. Memorial fund.

Mrs. Fisher reported that the scrap book is progressing and will be finished to go to the Red Deer Conference.

The library committee reported that the shelves for the library are built and quite a number of books have been loaned and donated. A number of books have also been received from the Department of Extension. Anyone in the district may borrow books by paying an annual fee of 25 cents.

Mrs. G. Hoskin and Mrs. E. Good will go to the Red Deer Conference, and Mrs. Paul Hauser will be the representative at the Cancer school in May.

Plans were made to serve lunch at the Valentine's dance at East Community Hall.

A Calico Ball was planned and will be held March 31st at East Community Hall.

The next card party at Bancroft school will be on March 3rd.

The contest on "famous sweethearts" was won by Mrs. Ray Good. Mrs. J. Tanton won the raffle.

## Mrs. Nora Blackburn Dies at Cremona

Mrs. Charles (Dora Ellen) Blackburn, 85, died at her residence in Cremona on Saturday, February 11.

Surviving here are two sons, Kent Ranier, in Oregon, and G. Robert, in Kelso, Wash.; three daughters, Mrs. Chas. Magoon, and Mrs. John Hermer, both of Cremona, and Mrs. Irvin Budd of Bittern Lake; nine grandchildren and one great grand child. Her husband predeceased her in 1907.

Funeral services will be held in the Cremona United Church, Wednesday, February 15, at 2:30 p.m. Rev. A. E. Habermehl will officiate and burial will be in Carstairs cemetery, with Didsbury Funeral Home in charge of arrangements.

## Lions Club Carnival Friday, February 24

The annual carnival, sponsored by the Didsbury Lions Club, will be held at the Didsbury Memorial Community Center on Friday, February 24, and posters are out announcing the big event.

Besides the regular costume event, skating races, etc., a special ceremony will take place when the best dressed lady of the evening will be crowned Queen of the Carnival.

Special events are being arranged by both town and country schools, and during the program of events there will be exhibitions of fancy skating.

The surprise event of the evening has not been disclosed, but the sponsors assure patrons that this top secret is well worth seeing.

Cash prizes will be awarded in all events, and after the carnival attractions have been completed there will be free skating for everyone.

## Mrs. W. Summers Host To Melvin Institute

After a couple of postponements on account of cold weather the Melvin W.I. met at the home of Mrs. W. Summers on February 1, with an attendance of 10 members.

Several pairs of felt slippers were brought and patterns exchanged. The Red Deer Conference, to be held March 10-11, was discussed and a delegate chosen to attend.

The remainder of the afternoon was spent in drawing up the year's programme so, of course, no time was spent on the Alberta scrap book. Mrs. Fischer invited the group to pick some suitable afternoon soon to meet at her home for this work.

A delicious lunch served by the hostess brought the afternoon to a close.

The March meeting will be at the home of Mrs. L. Chandler. Mrs. Dupont will present her topic on handicrafts, and quilts will be judged. Roll call will be a favorite winter hobby.

Miss Olwyn Krebs returned home last week after spending some time with Mr. and Mrs. H. Wollen at Calgary. The Wollens have named their twins Brian and Brenda.

Wee Donald Shantz came home from the hospital early last week and we are happy to know he is doing fine now.

Mr. and Mrs. L. Wollen are spending a few days visiting at the home of their daughter at Balldoone, B.C.

Elaine Cowitz had the misfortune to have her elbow put out of joint when she collided with a playmate at the Arena Friday evening. It's still in a sling, but Elaine is home and doing nicely.

## NORTHERN IRELAND PRODUCES WORLD'S FINEST LINENS

The looms of Belfast, Northern Ireland, still produce the finest linen fabrics in the world. The fabric is made from home-grown flax, although quantities of raw

material are also imported. This picture shows girls hand painting Damase linen tablecloths and serviettes in a Northern Ireland mill.

The Elktion Willing Workers met at the home of Mrs. J. Bagshaw on Tuesday of last week instead of Wednesday because of the hockey game between Westcott and Elktion on Saturday afternoon.

Most of the members were present and the meeting was opened by singing O Canada. Mrs. Edith Campbell acted as secretary in the absence of Mrs. H. Barnard. It was decided to hold a free skating party for the school children on Saturday afternoon, February 23, and to serve hot dogs, cocoa and cake. Mrs. A.L. Hogg and Mrs. Arnold Hogg will hold a whist drive at the former's home on Friday, February 17, to raise funds for their share of the contest. Mrs. O. Blain auctioned off several articles for the opposing team. A quilt was tied, to be given away, and a nice lot of soap was turned in to be sent overseas.

The meeting closed with "God Save the King" and lunch was served.

The next meeting will be held at the home of Mrs. Les Evans on Wednesday, March 8, with Mrs. G. Jakes as co-hostess.

## NO Serious Complaints In Town Management

About 25 ratepayers attended the annual meeting of the Town of Didsbury, held in the Lions hall on Monday night, and very few complaints were made on the operation of the town affairs during the past year.

Reports were given by the various committee chairmen, as follows:

R. D. Kimmel—Fire and police. L. Calhoun—Public Works. H. Bowman—Sanitation. C. E. Reiter—Health Unit. S. J. Gilson—Relief.

Mrs. H. Lynch—Stanton—Library. Thos. Morris—School and Hospital.

A motion was passed whereby the financial statements of the hospital and school be presented to the ratepayers at the end of each year.

The financial statement of the Town was reviewed and showed a bank balance of approximately \$25,000. There are few liabilities outside the total sewer debentures, and tax collections were almost equal to the current levy.

A hearty vote of thanks was tendered to the Council for their endeavors on behalf of the citizens during the past year.

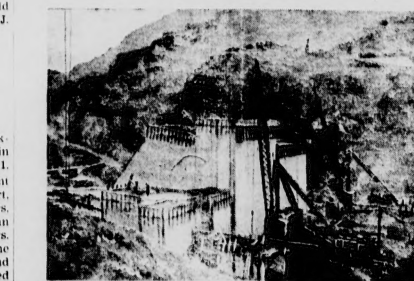

## Beavers Break Even In Hockey Games

The Didsbury Beavers split even in games played last week. On Saturday night before the largest crowd ever to watch a junior game in Didsbury, the Beavers defeated the Calgary Tuxedo Park Juniors 6-5. Didsbury led 3-1 at the end of the first period, but this lead was cut to 4-3 at the end of the second frame. Each team scored twice in the final period to give Didsbury the game with the final score 6-5.

The goal scorers for the Beavers were: Gilrie 2, Morris 1, Archer 1, Soufield 1, Francis 1.

On February 7 the Beavers were edged out by the Oids High school 5-4 in a game played at Oids. The game was close, although Didsbury appeared to have the best of the play in the final period and just failed to overcome the one goal lead. The Beavers goal getters were Miller with 3 and Gilrie with 1.

On Wednesday night the Didsbury high school plays host to the Carstairs high school at the local arena.

Get new engine performance in just one day by installing a Chrysler-Method Remanufactured engine in your Chrysler-built car or truck.

Chrysler-Method Remanufactured engines are very different from the so-called "re-built" engines. They are precision built to rigid Chrysler Factory standards; all engines have NEW crankshafts; all

other parts which fail to meet Chrysler engineering specifications are replaced with new factory-engineered parts; all engines, when remanufactured, must pass the same dynamometer tests as those applied to new Chrysler-built engines.

Get in touch with us to-day and find out all about these different remanufactured engines.

Margarine in Canada  
Now Big Business

The per capita consumption of  
margarine in the eight provinces of  
Canada in which it has been legal-  
ized is estimated at 8.5 pounds per  
person in 1949. In the United States  
it is only 5.7 pounds. At the same  
time butter consumption in Canada  
is estimated at 23.9 pounds per  
person and in the United States at  
only 10.1 pounds. Margarine cannot  
be manufactured or sold either in  
the provinces of Quebec or Prince  
Edward Island. The oil largely  
used for margarine is imported  
from the United States. About 60.5  
per cent of it being cottonseed oil,  
23 per cent being soybean oil and  
the remainder being coconut oil,  
peanut oil, marine oils, palm oil,  
and oleos, in that order of dimini-  
shing importance.

## CANADA'S BEST CUSTOMER

During 1950 Great Britain will  
take about \$100 million worth of  
Canadian farm products and there-  
fore is Canada's best export market.  
This statement was made by the  
Hon. J.G. Gardiner in an ad-  
dress given in Regina, Sask., on  
January 12. He stated that cuts in  
British food purchases this year  
will mean a reduction of \$30 million  
dollars. This situation is not  
disasterous.

Mr. Gardiner stated that Great  
Britain is determined to accumu-  
late a two billion dollar reserve by  
January 1, 1952 and it is the Cana-  
dian farmers' interests to see that  
Britain by that time is in a posi-  
tion where she can meet her ad-  
verse dollar balance without de-  
pendent upon assistance from  
others. Prospects are that after 1952  
the United Kingdom will continue  
to be Canada's best market. In the  
meantime if they take all of Cana-  
dian surplus cheese and 120 mil-  
lion bushels of wheat, they will  
continue to be a market we cannot  
afford to be without.

FAMOUS BRITISH SCIENTIST  
TO LECTURE IN CANADA

A British scientist of World re-  
nown is to visit Canada this spring  
for a lecture tour. This is Sir Henry  
Dale who has recently accepted the  
post of President of the British  
Council. His tour of Canada will  
start on April 25th and last three  
weeks. The itinerary will cover  
Banff, Calgary, Edmonton, Saskatoon,  
Winnipeg, Toronto, London,  
Ottawa and Montreal. He will  
speak mainly to medical and  
scientific audiences but a number of  
public lectures have also been ar-  
ranged.

Blood Donor Clinics  
In Rural Communities

The following information is con-  
tained in a letter from A.R. Nichol-  
son, Donor Panel Field Organizer  
for the Canadian Red Cross Society:

From January to the middle of  
April, the Blood Donor Service of  
the Canadian Red Cross Society in  
Southern Alberta is maintained  
by the Society's Calgary Branch.

From April until the end of Nov-  
ember the reliance will be on the  
country towns and their districts  
to obtain the donors for this vital  
service. In the last year the needs  
of the Blood Transfusion Service  
have increased from 1,000 to 1,300  
donors a month. To supply this  
amount of blood and plasma to  
your hospitals, we need your com-  
plete co-operation.

During 1949 approximately 15000  
bottles of blood were collected and  
used by the people of Southern Al-  
berta. This free Blood Transfusion  
Service has been the means of aid-  
ing hundreds of sick and injured,  
has helped prevent innumerable  
deaths and all in a savings of over  
\$400,000.00 to those unfortunates.

We do appreciate the support and  
interest that has been shown by  
our Alberta people. As a donor, this  
is your service to the people in  
your community and the Red Cross  
acts as a medium through which  
your gift is made available to  
those in need.

We will be arranging your next  
clinic time with your convenor in  
the near future. We do hope you  
will make it a community effort.

### 50th Anniversary of I.O.D.E. in Canada

February 13, 1950 was a memorable day in the history of the Imperial Order Daughters of the Empire because on that day it celebrated the 50th anniversary of its founding. Mrs. Frank P. McCurdy, National President of the I.O.D.E. announces, "As we look back over the past fifty years, Mrs. McCurdy states, 'we can say with pardonable pride that the I.O.D.E. has courageously faced heavy duties and responsibilities and written in service to humanity a story that will long be remembered.' 'We go forward into the second half of this twentieth century,' the President continued, 'resolved to meet the challenge of the future with renewed hope and faith and to rededicate ourselves to the high ideals of patriotic service on which this great organization has been founded.'"

As Mrs. McCurdy has stated, the Imperial Order Daughters of the Empire reached the half century mark on February 13, 1900. The I.O.D.E. is a voluntary, patriotic, non-sectarian, non-political, philanthropic organization, its stirring motto, "One Flag, One Throne, One Empire", has burned like a flame in the hearts of its members in this Dominion since the dawn of the twentieth century. It was the realization of the dream of a Scottish woman, Margaret Polson Murray, wife of a professor at McGill University, Montreal, who envisioned

an organization of women's and children's chapters in every city and town of Canada and of other parts of the Empire, federated in Municipal, Provincial and National Chapters for service to King and country and for the promotion of a better understanding among the peoples of the British Empire.

The first Chapter of the I.O.D.E. was organized in Fredericton, New Brunswick, by Mrs. John Black. During the past 50 years the Order has made steady progress and now has a membership in Canada, from Prince Edward Island to the Yukon, of more than 32,000 women in 100 Chapters. It is organized also in Bermuda, the Bahamas and in India, and is associated with the Victoria League in England and the Daughters of the Empire in the United States of America.

In 1901, by the wish of the founder, the headquarters of the Order was moved from Montreal to Toronto, where it was formally incorporated later in that year as the Imperial Order Daughters of the Empire and Children of the Empire Junior Branch, under the presidency of Mrs. Samuel Nordheimer.

After the end of the South African War, these women in Canada were instrumental in locating and marking the graves of Canadian soldiers who lost their lives in that distant land, and later erected in their memory a monument of Canadian granite in Bloemfontein.

With a program designed to stimulate patriotism, foster unity within the British Commonwealth and Empire, cherish the memory

### Golf Through the Ages

The history of golf through the five centuries since the popular sport was first mentioned in 1457 was told on an unusual exhibition held recently at one of England's well-known courses, Moortown, Leeds, in the North of England. Golf clubs and societies throughout England loaned golf treasures of immense historical interest, which have never before been shown to the general public. The exhibits formed a complete record of the evolution of golf, from the 15 century golf-type club recovered at the bottom of the Zuyder Zee in Holland, to the recently-completed portrait of Bobby Locke, the 1949 open champion.

of heroic deeds, forward every good work for the betterment of their country, and people and develop high standards of citizenship. The I.O.D.E. has progressed along lines represented by the following major departments: Education, War Memorials, Child and Family Welfare, Ex-Servicemen, Empire Information, Immigration and Canadianism, Films, War-time and Post-war Services.

While still carrying on its regular activities the Order expended during World War I, \$5,000,000 on its various projects; spent \$60,000,000 on services during World War II; awarded Bursaries and Scholarships from the First War Memorial to a value of over \$500,000, and from this Memorial has more than \$200,000 invested to maintain the Overseas Scholarships in perpetuity. It raised \$250,000 to inaugurate a Second War Memorial along similar educational lines to the First War Memorial, and in 1949 made the first award of bursaries to children of service personnel of the Second Great War.

The I.O.D.E. has no paid officers. Its work is the voluntary effort of public spirited women who pledge true allegiance to the Crown and who are serving their country faithfully and well. To be continued.

## M.V.B.C. NEWS ITEMS

About 400 friends of M.V.B.C. were guests at "Open House" on Friday evening, February 10. They came from Edmonton, Calgary, Bergen, Cremona, Olds and the Didsbury district. The guests were shown through the dorms and classrooms on an inspection tour.

Prof. Annett showed slides on various phases of College life, as well as some scenic views taken on travels of college personnel.

Prof. Waldin's first year speech class presented a humorous skit depicting school life. The A. Copel to Choir entertained the guests in the dining room while refreshments were served. The excellent musical features were a delight to everyone and a credit to the members of the choir and to their able director, Prof. Richardson.

The delicious sandwiches, cake, cookies, tea and coffee served as a happy climax to the evening's events.

Prizes consisting of Chocolates were awarded for the most attractively appointed rooms or apartments among the students. Mr. and Mrs. Jake Miller took the prize for the best apartment. Wallace Brower and Alvin Harder for the young men's room, and Marjorie Eby and Ruth Hadant for the young women's room.

We wish to thank the ladies who graciously assisted at the tea table and those who helped serve the guests. Also the many friends who gave the lovely cakes and the good cream which helped to make the refreshments so grand. Also all others who contributed towards making this "Open House" occasion perhaps the best of its kind at M.V.B.C.

The second term final exams are scheduled for this week—an indication that the school year is two-thirds gone.

On Wednesday, February 22, the College will observe a day of prayer which will be followed by the Spring Convocation on the 23rd and 24th. Mrs. Beatrice Heidegaard will be the guest speaker for the Convocation.

The Misses Enith Hunsperger, Ruby Shantz and Beverly Redfield from Edmonton were weekend guests here.

Viola Plato, sister of Ted Plato, came from Calgary to visit Ted

## MEETING AT EVANGELICAL CHURCH ON FEBRUARY 20

A meeting of special interest to those desirous of having first hand information about conditions relative to the Protestant churches in Russia, will be held in the Evangelical Church in Didsbury on Monday, February 20, at 8:00 p.m. The speaker for the evening will be Pastor S. Lemke, former pastor in the Evangelical Lutheran church in Russia. Pastor Lemke has an interesting story to tell about the affairs of the Christian churches under the Communist regime. He can also tell of the horrors of the prison camps, having spent two years in them, and the only one of a large number who came out alive. Having been in Canada less than a year Pastor Lemke has not yet mastered the language of the country, and is able to speak only the German language. He will therefore be speaking with the aid of an interpreter.

over the weekend.

Prof. and Mrs. J.T. Hoskins, Mrs. Lydia Suder and Mrs. Pearl LeMont were dinner guests of Mr. and Mrs. A.E. Dyck on Tuesday evening, February 7.

After school on Tuesday, February 7, most of the students, in company with Miss Leonard and Mr. Richardson, motored to Mr. D. C. Archer's farm east of town for a skating party. They reported lots of fun and the party concluded with a weiner roast.

June Steeves broke her left wrist in a fall on the ice, but she is well on the road to recovery now.

## A Student's Voice

As president of the M.V.B.C. A Capello Clark I am happy to tell you who we are, and to report a few of our activities. The choir personnel is made up of about 24 voices carefully chosen by our able director, Prof. G. Lytle Richardson.

We rehearse at least three times a week. These are periods of real work tempered with genuine pleasure and inspiration.

It has been our privilege to sing the Gospel in Youth for Christ rallies in Calgary and in Olds. We also anticipate future appearances during the spring term of school.

I believe that I voice the feeling of every member when I say that we are all very enthusiastic about our choir.

SELLING BUTTER SURPLUS

Sales of government held butter, which long ago totalled 72,000,000 pounds, are not expected by Rt. Hon. J.G. Gardiner to cause a crash in butter prices. Any such fears, he says, are groundless as the government will not sell at prices lower than the floor price of 58 cents a pound, basis Montreal or Vancouver. Butter stocks have been reduced by 15 million pounds during the past six weeks and substantial sales are anticipated during January and February which are big butter selling months.

Large Crowd Enjoys Walther League Plays

An overflow audience of about 200 attended the entertainment presented by Redeemer Lutheran Walther League on Thursday, February 9, and from the reaction of the audience all four plays presented were thoroughly enjoyed.

The program began with "Blumenschein's Toothman," featuring Karl Reese, Werner Reinhardt, Arnold Bode, Oscar Reinhardt and Walter Atman. The play showed how one individual, who had been cheated to buy an inferior shirt from Blumenschein's Second Hand Store, got even with the proprietor by selling him a worthless Toothman.

"Wildcat Willie Gets Brain Fever," featuring Fred Reese, Arthur Reinhardt, Helen Quast, Erna Reinhardt, Delbert Berthel, Beatrice Berthel, Ella Jans and Bertha Jans, had the audience in peals of laughter from beginning to end.

The moral of the play may be summed up in the words: "Playing hockey from school does not pay."

What happens to a woman who

had an unfortunate marriage, was the underlying theme of "Not a Man in the House" featuring Marilyn Hebus, Mrs. E. Pieper, Mrs. L. Bode, Lilly Reinhardt and Alvina Jans. Trying to keep men-folk out of a house is not as easy as one thinks, especially if two women in the house are eager to have men enter. The mouse that appeared on the stage and inadvertently scrambled off the stage, brought a

flutter to the hearts of the audience, as well as to the cast.

On the other hand, the actions of a fair young maiden will go to get her beaux, who is rather bashful, to propose, was portrayed in "The Proposal," featuring Jean Krebs and Howard Krebs. The audience learned that not all women want even-men, some want men whom they can look after.
